

API Council Statement in Support of Mayor London Breed's Appointment of Carmen Chu for City Administrator

January 14, 2021 - San Francisco, CA--API Council fully supports Mayor London Breed's decision to appoint Carmen Chu to the position of City Administrator. Throughout her career, Carmen has demonstrated steadfast and unwavering dedication to the API Community and has been a champion for accessibility to government. Because of her extensive experience addressing the myriad needs of APIs across the City in her capacity as former Supervisor and Assessor-Recorder, we feel confident that she will continue to be a fierce advocate for our community. We look forward to working with her in this new capacity to continue our work in what will undoubtedly be a challenging year.
